STORYBOOK

The St George Day STORYBOOK is a FREE book given out at the St George Day Festival to provide a venue for writers and illustrators.

All of the content is volunteered and ads are sold to raise funds for the book printing and to help with other festival costs.

The book is high-quality, saddle-stitched paper-back, and includes a map of the festival and advertisements by local businesses. The book is put together by skilled volunteers and is printed by the amazing graphics department at McKee High School. See previous years' books online at
